

For over 80 years, Gaston Electrical has provided expert electrical contracting services to the commercial, institutional, life-sciences, hospitality, and retail markets in New England. We collaborate with our clients and partners to deliver innovative solutions for complex projects. Our company leadership and skilled electricians build trust through best-in-class services, quality workmanship, safety practices, and reliability.

LEADERSHIP

Now in its third generation of family ownership, Gaston Electrical is committed to a culture of professionalism and reliability at every step. Our combined depth of experience ensures knowledgeable planning, management, and execution on all projects.
